ABOUT TWIDALE

Led by leading hair and makeup artist Jo Spring, the TWIDALE salon is a team of elite Brisbane hairdressers and makeup artists servicing Queensland, Australia and the world. Magazine editors choose TWIDALE for covers and editorials for their creative and inspiring work – while brides choose TWIDALE for their stunning hair and flawless makeup. Beyond simply realising a desired look for brides and their wedding parties, TWIDALE can help create unique wedding and hair concepts which will translate into stunning photos, every time.

Dear Jo & the Twidale girls,
Thank you for making my wedding day a special experience. I absolutely loved my hair & makeup and felt secure knowing it would last all day and night (despite all the happy tears!!) Not only did you make me feel amazing but my bridesmaids, mother in law and mum felt confident and beautiful with their hair and makeup.

I loved how you and the girls had fun with us while getting ready, and really contributed to the fun happy vibes. I will be highly recommending you to all my friends in future, I can't thank you enough!

Breeanna Shaw – Twidale Bride

I can't even describe how lucky I feel to have found Jo and her team of Brisbane hairdressers and makeup artists at TWIDALE. For the past decade, I have put my absolute faith in TWIDALE to bring my vision to life for all my fashion advertising shoots. When I was preparing for my own wedding, there was only one team of hair and makeup artists that I knew I could trust in the day. I absolutely recommend brides choose TWIDALE for their wedding day.

TOP TIPS

- 1.** Wash, clean and dry hair the night before (if your hair is oily we will use DRY SHAMPOO on the day)
- 2.** Have a clean, washed face with NO MOISTURISER.
- 3.** DO NOT use a GHD on your hair as it effects what our heat tools can do.
- 4.** We need 2 chairs / stools and a large table to work from.
- 5.** Our best work is done when there is great natural light (so please don't put us in a bathroom down the dark end of a house)

- 6.** No spray tans the day before and try to avoid DIY tanning as you'll stain your hands and feet. Discoloured body parts WILL be visible in your photographs.
- 7.** Check with the bride before you dye your hair BRIGHT BLUE, HOT PINK, CHERRY RED etc. It doesn't effect us, but it may impact the bride and what she wants to see in her photos.
- 8.** The bride and bridesmaids will need lip-gloss or lipstick to touch up throughout the day. Your artist can recommend the perfect one to have ready in your clutch for the big day.
- 9.** Blotting pads and powder compacts are two things that are essential to keep your skin looking flawless. Your artist can also provide details on where to get this.
- 10.** Our aim is to have the morning run as smoothly as possible with NO hiccups, so please ensure that start times are adhered to. If someone decides to run late or not have themselves ready to start at the required time, the WHOLE day will be impacted, therefore you run the chance of having too little photo-time and being late for the wedding.

TERMS AND CONDITIONS

It is the responsibility of the client named on the booking form to understand, agree, and accept responsibility (on behalf of yourself and other clients included in your booking) for all booking conditions, including all payments due by specified dates. By proceeding to pay a deposit, you accept that you are entering into a contract and you agree to be bound by these conditions.

In these Terms and Conditions:

“We” means Twidale Hair and Makeup. “I” and “You” means the client.

1. I have received the TWIDALE prices quoted, and understand these have been confirmed for my Wedding date. I agree that payment of the \$300 booking fee confirms my booking with TWIDALE and is non-refundable.
2. I agree to provide the correct address of the location where the hair and/or makeup is to be completed on the Wedding day. Failure to provide the correct address (and directions if applicable) may result in the delay of TWIDALE arriving on time -- and as a result, TWIDALE cannot be held responsible. The TWIDALE team can only offer on-location Hair and Makeup services at ONE location on the day, and will not transfer to a second location.
3. A car park must be supplied for TWIDALE at the location of the Hair and/or Makeup service. In the event that any parking fees are incurred as result of the location of the appointment, these will be passed on to the client.
4. I agree that the full Bridal Party will be at the agreed location and be ready to start Hair and/or Makeup at the agreed upon time. I acknowledge that the allocated start times are extremely important in ensuring TWIDALE deliver the service I expect, and any delay from any bridesmaids or family members not being ready when requested by TWIDALE will result in the Hair and/or Makeup not being completed in time. TWIDALE is not responsible if the desired completion time is not met due to wedding party delays. If any Hair and/or Makeups are not completed in time due to Bride/Bridesmaid/Family member arriving late/ not being ready when requested, this service will be forfeited. No refund will be offered nor any discussion entered in to.
5. I agree to make the final invoice payment at the time and completion of the trial.
6. It is the Bride's responsibility to confirm with TWIDALE the amount of ladies requiring Hair and/or Makeup for the Wedding Day. Once the number of ladies is confirmed, there are to be no changes as a daily schedule is pre-planned. Once the amount of ladies is confirmed, that total amount will be due 1 month prior to the Wedding date. No refunds will be given if there are any changes.
7. If a trial is booked and the Bride does not show up, or cancels within 24 hours, the full trial amount will be invoiced and a new trial will be required at the Brides' additional expense.
8. I understand the Hair and/or Makeup look as confirmed during the trial is the look to be completed on the day. Prior discussions must be had with TWIDALE if a new look is to be completed. If this is the case, a subsequent hair and/or makeup trial may be required at the discretion of TWIDALE.
9. You may indicate your preferred stylist/s but we reserve the right to dispatch any stylist from our team for your appointment. The Bride will be notified and contacted by the Hair and Makeup artist assigned, no less than 2 weeks before the Wedding Day.
10. A trial must be completed with TWIDALE before the wedding day. This is to ensure the right look is found and executed on the Wedding day. The trial will be with your Hair and Makeup team assigned to you for your Wedding day.
11. I understand that if the wedding is postponed for any reason, prices are subject to change every 6 months.
12. You may not reschedule your Wedding day booking and a cancellation of your booking will result in the full charges being payable. There is no refund for cancellations.
